

Our Covid Safe Clinic

Please wear a mask

Every client must wear their own **mask**. To be worn at all times and disposed of safely once you leave our premises.

Please sanitise your hands

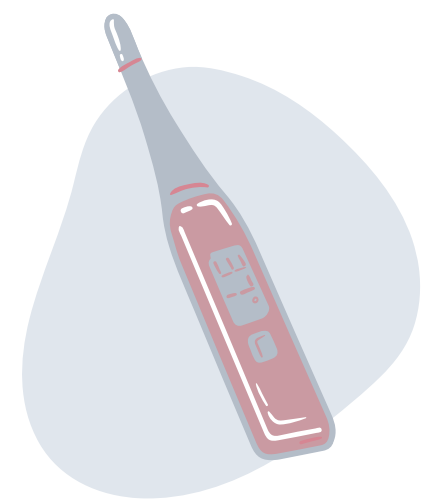

- We will provide each client with sanitiser.
- Please avoid touching display stands.
- We will not be able to provide refreshments at this time.

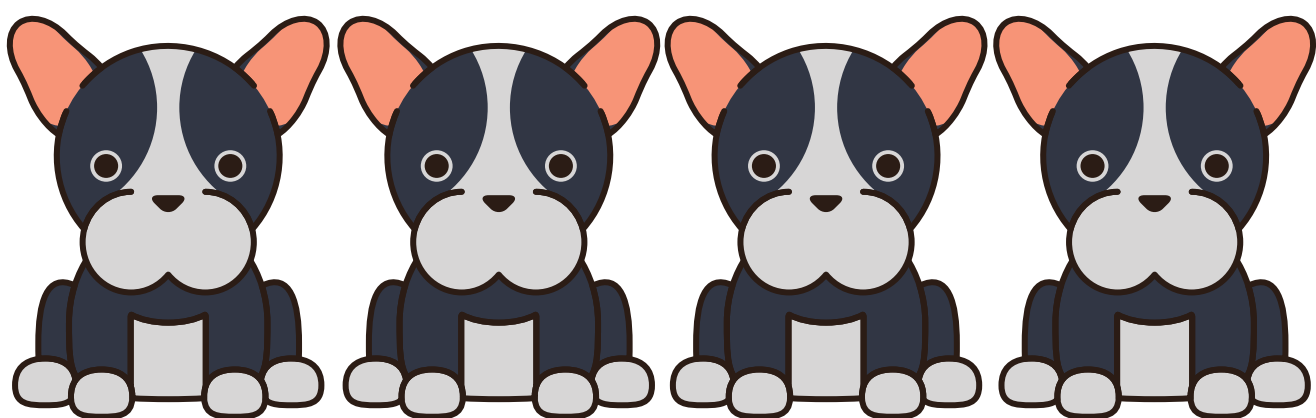

The clinic is sanitised after each client

All procedures are carried out using sterile equipment

Please keep the length of four French Bulldogs apart.

2 metres

I will wear appropriate PPE at all times.
